NEWS-ROUND

Children at Barham primary have been able to take part in a survey called "MEAT-FREE-MONDAYS. Meat free Mondays is a new campaign ,who are trying to make children eat their greens, every Mondays.

The main purposes of meat free Mondays is to;

help increase the fruits and Vegetables intake of the children,

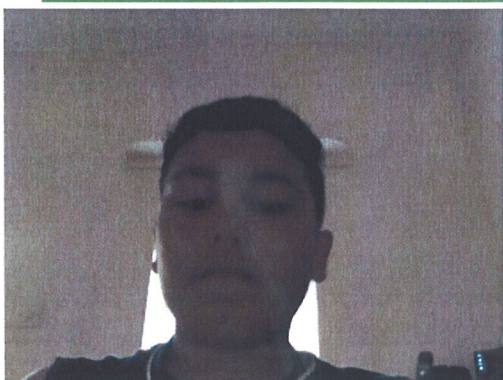

To encourage the children to try new dishes and different vegetable and salads,

And finally ,to help children understand what it means to be a responsible global citizen.

Alexsha Anjalans ,presently school councilor for year six at barham said "the meat free Monday campaign has been a great achievement throughout the school!".In other words, it has been a great success!
